I. The magnitude and far reaching importance of so great an enter-

prise as the Centenary constitute a challenge to the faith and generosity of the church, sooner or later to be accepted and carried to victory.

II. In the present serious war situation demanding such unusual financial sacrifices by our people which are imperative and must continue until the war is ended, we deem it inopportune for the church to project an eighty million-dollar drive while these conditions continue.

III. We recommend that in the meantime we give ourselves to the campaign of Intercession, Christian Stewardship, and Tithing, until the church is adequately prepared for the meeting of this kingdom challenge, as expressed in the Centenary Movement.

IV. We make these deliverances in profound sympathy with every glorious hope of the Centenary plan, hopes that throb in all our hearts, and for the consummation of which we earnestly pray.

REPORTS.

REPORTS OF DISTRICT SUPERINTENDENTS.

(Abbreviated.)

ALBION DISTRICT.

Hugh Kennedy, Superintendent.

The Methodists of this district have performed their full share in all the Patriotic drives, and conspicuous in the leadership of these drives has been the Methodist preacher and layman. The response of our people to our own War Work Fund has been most generous, amounting to over two thousand dollars.

Up to July the First 213 members of the Church, 161 members of the Epworth League and 494 members of the Sunday School were serving under the flag across the water, out on the seas or in the training camps. Since President Wilson declareed that a state of war existed between the Imperial German government and the United States nine pastors of the district have donned the uniform and responded to the call of the colors.

Death has visited three homes in our ranks. On Good Friday, Wesley I. Dorris, son of Rev. J. C. Dorris died in the strength of young manhood. Rev. J. W. Davids, a retired member of the conference passed to his reward after a long illness, Feb. 7, 1918. Rev. J. F. Orwick, in the midst of a signally successful pastorate at Camden, was called from labor to rest on Saturday evening, August the third.

We are pleased to report that Dr. W. W. Diehl has so completely recovered from his long and serious illness. Both daughters of Rev A. S. Williams have been critically ill during the year. Rev. L. B. Kenyon had a nervous breakdown in the early spring. D. C. Riehl was stricken in the middle of the year and for weeks his life was despaired of and while he is much improved in health still it seems wise that he ask at your hands a place on the honored retired list, and so after forty-two years of service he steps out of the effective ranks.

We had an unusually large number of changes in the pastorate during the year as so many men have entered War Work. F. W. Nickel resigned Hanover charge in November and J. W. Rochelle has had a splendid time seeing people converted and the improvements on the Moseow church come toward completion. H. A. Crumb completed his course in Albion College and entered Garrett the second semester, the work at Cooper St. has been ably cared for by I. U. Riddick, a retired member of the Conference. David Cruden serving the federated churches at Eckford charge resigned the first of June, and Prof. John Zedler has finished the year in a most satisfactory manner. George A. Critchett was called to the work of a Camp pastor and is now on his way to India to work under the Y. M. C. A. among the British soldiers in Mesopotamia. W. J. C. Belch of Detroit conference was transferred to Reading and has a fine half year. Theron Jenne on account of throat difficulty was compelled to resign the pastorate of Jerome and Somerset Center, William Helrigle was secured and when just getting nicely started Uncle Sam laid hands on him and he is at Camp Custer. The charge was combined with Liberty and looked after by R. W. Larence. Stanley Miles of Horton entered the army and the work has been cared for by Sidney Francis in connection with his work at Spring Arbor. Dr. Lacy, pastor of this church,

has been for a few weeks in the training school for chaplains at Camp Taylor in Kentucky.

Albion College has had a good year notwithstanding that so many of her sons have taken places in the ranks of the army. The outlook for this year in point of attendance is fine under the new war regime. You will be glad to know that President Dickie is improving and a permanent recovery seems certain.

The usual district gatherings—that is the W. H. M. S., W. F. M. S., Epworth League, Eaton Rapids and Quincy campmeetings were held with larger attendance than one year ago, and with as much interest and helpfulness, notwithstanding the fact that we are at war. The spring meeting of the preachers and laymen was divided into three sections and was the active launching of the Christian Stewardship campaign on the district. Dr. Ralph S. Cushman was at all three gatherings. There are at present about 1000 enrolled tithers on the district. The story of this campaign is one of the most heartening that has come to this superintendent in his four years on the district. Plans are being laid for pushing the campaign this coming year.

The State Epworth League Institute at Albion more than met the expectations of the leaders both in point of attendance and in the richness of the program, and in the training for leadership. There have been 23 Bible study classes with 206 enrolled members, and 21 Mission study classes with an enrollment of 217.

With things in general in such an unsettled condition it has been the policy of the year to pay off indebtedness and to be very careful in contracting new obligations. The following charges have wiped out indebtedness. Charlotte, $1,500, Haven $200, Parma $100, Spring Arbor $130. Repairs were made on the district parsonage to the amount of some five-hundred dollars.

Improvements have been made amounting to $26,858. The two outstanding achievements in the line of church improvements are at Charlesworth and Eaton Rapids. At Charlesworth at an expense of $2,000 a small dilapidated country church was transformed into a building well adapted for the community, and a thing of beauty. Sunday, Oct. 7th was the dedicatory service. Drs. Diehl and Johns preached the Gospel with power, while the district superintendent handled the finances.

The change in the Eaton Rapids property has to be seen to be appreciated. The old lean-to chapel was taken away and a two-story annex was erected 90x35 feet, with a thorough renovating of the old building in the way of a new roofing, new windows of amber opalescent glass throughout, new electric chandeliers and walls frescoed in oil at an expense of $20,000.

The church building was crowded for all three services on dedicatory day Sunday, June 23rd. Bishop Theodore S. Henderson preached both morning and evening Dr. C. B. Allen, that wizard of finance, mastered the whole proposition so well that he secured all the needed money in good individual pledges, thus leaving all societies of the church free to push aggressively the real work of the church for a wide community service.

Two years ago the net gain in the Disciplinary benevolences was $1,808, last year the gain over the preceding year amounted to $2,232 and this year we will make another advance of about $1,800 as indicated by the report of the pastors. Those reporting the largest increases are Concord 200 per cent, First Church 80 per cent Haven 100 per cent, and Tekonsha 50 per cent each. Albion $300, Butler an increase of $100, Charlotte Circuit $39, Homer $385, Beatrice Isbell $149, Leslie $40, Ida Stiles $708, Charlotte $175, Hillsdale $100.

The work of Dr. Musser on the district will account for some of these gains.

While true that the severe cold weather and the shortage of fuel interfered very materially with the holding of special evangelistic campaigns, yet there have been some gracious seasons of grace, and some pastors and people have learned that there are other methods of winning men and women to the Christ in addition to the old but never outworn Revival meeting. Churches reporting a net increase in membership of ten or more are Charlotte 24, Eaton Rapids 10, Beatrice Isbell 56, First 69, Greenwood Ave. 10, Haven 58, Jonesville 26, Leslie 25, North Adams 11, Parma 26, Ida F. Stiles 24. More than six hundred have bowed at our alters seeking pardon for sins.

The plan of other years in holding all day community services out in the open

country was continued with splendid results. Dr. Diehl was with us for ten days and as a result a number of thriving community betterment clubs are at work.

The cash salaries of the pastors has been slowly advanced, $486 in 1915, $1,234 in 1916, $2,390 last year and the claims of this year were $3,487 in advance of the preceding year. That would have been a notable advance before the days of this war but now it is so small in comparison with other lines of employment and other callings, that its smallness makes it very conspicuous. We are grateful that the laymen are realizing more and more the need of a comfortable support for the worthy pastor.

BIG RAPIDS DISTRICT.

Clark S. Wheeler, Superintendent.

In parts of the district, we are on the heels of the lumber jack where the struggling and inefficient agriculture witnesses to the transition from the old lumber days. Sections of the country have been burnt over with all sorts of wild fire and fanaticism. In Montcalm County there are ten-thousand Danes and nothing outside the Lutheran Church being done for them religiously. We have the tragedy of the cross roads town with three or four denominations wasting their energies in competition with each other. There are sections receiving no religious attention. We have the little struggling mission point with a mere pittance of Home Missionary appropriation. We have the rural problem.

We began the year with forty-eight charges manned by twenty-nine Conference men and nineteen Supply Pastors. Twenty of the charges are receiving help from the Board of Home Missions and Church Extension. The rigid economy, the spirit of devotion, the atmosphere of optomism, the consecration to a great task, as seen in some of these parsonages is worthy a place in the eleventh of Hebrews.

Last fall Dr. Diehl and the Superintendent did some intensive work in Isabella County and a few adjoining charges looking toward the organization of the Methodism of the county into a county unit. This county unit enables us to do team work with our forces, is meaning much, and as we progress with the program, will mean much more, to our work in that county.

The Area District Conferences at Mt. Pleasant and Big Rapids conducted by Bishop Henderson and his Staff were great events. The attendance of registered delegates, was the largest of any district in the Lower Peninsula.

In May a District Sunday School Institue was held at Reed City. This was conducted by Dr. Harry Wilson and his faculty from our Board of Sunday Schools, which was a success in every way.

Following the instructions of the National War Council of our Church we put on in May the Patriotic Drive for the Million Dollar Methodist War Fund. One hundred and one meetings were held simultaniously and $2,789 pledged for this special fund.

Considerable attention has been given to the Epworth League and young peoples' work. Seven group rallies were held in May. These were attended by the Area Superintendent Dr. Durgin, the District President Brother Large, and the District Superintendent. The District Epworth League Institute held at Reed City the first three days of the Camp Meeting August 1-4 did some splendid work. The attendance was good. Dr. Durgin was present throughout.

The Reed City Camp Meeting was a great event. For thirty years this Camp Meeting has been an uplifting influence in the Methodism of Northern Michigan. In our leadership of this institution we have sought to enlarge its scope and increase its efficiency from year to year. This year heroic things were done in extensive improvement of the property. The old tabernacle has been built over into a dormitory with twenty-six rooms where the attendants at the Camp can have clean and comfortable accommodations. A new tabernacle, octagon in shape, has been built on the hillside ampitheatre sacred with so many memories and traditions. These improve-

ments represented an expenditure of $2,600 and this amount was covered with good subscriptions taken on the last Sunday under the leadership of Dr's. Allen and Musser of Detroit. The attendance was the largest in recent years. The program was exceptionally strong. We have about 500 Indians in Isabella Co. The Government School at Mt. Pleasant is an important institution, taking the Indian boys and girls through the 8th grade studies and doing much for them in an industrial way. We have two Indian churches, the Bradley church on the Leaton Charge and the Chippewa church on the Rosebush work with a membership of about 150.

Brother Benedict held a Camp Meeting for the Indians in the grove of the Chippewa church. Indians were there from all over the State. There were many conversions and the meeting was a great uplift to the churches.

Nearly every charge has done something in debt raising or property improvements. The spirit or evangelism has been fostered. Faithful work in soul winning has been done and there have been reported to me 575 decisions for Christ during the year.

We will make a good showing in the Benevolences. With war prices and war taxes, calls for the Red Cross and Army Y. M. C. A. and special drives for special funds we had some apprehension but wherever the Disciplinary Plan is worked with any degree of diligence and persistency our Benevolences have been creditably cared for.

February 21st, Wm. Gumser resigned from the Winn charge. Since the latter part of June, LeRoy Whitney of Mt. Pleasant has acceptably supplied the charge.

March 1st, on account of ill health, E. T. Smith resigned from the Edmore work. A much needed rest was taken, resulting in restoration of health and Brother Smith will report for work at this Conference. Edmore has been efficiently cared for by Brothers Bray and Showerman.

On March 12th, following an operation a few days previous, D. E. Wade, pastor at Pierson and Sand Lake, went to his reward.

Sister Wade and her son Jay cared for the work until July 15th. Brother E. T. Smith spent the last four weeks on the charge, closing up the work and preparing the reports for Conference.

April 16th, we buried the mortal form of Norman Anger. Brother Anger served as a supply on the district until failing health compelled him to relinquish his chosen and loved work. He was a young man of such promise—a rare and beautiful spirit.

August 28th, Elizabeth Jane, wife of our honored and much loved Nicholas L. Bray, after years of invalidism and patient suffering passed triumphantly beyond the sunset.

We are living in tremendous and awful times. There is a constant stream of our young manhood going to the colors. The Methodist Churches and Sunday Schools on the Big Rapids District have 927 stars on their service flags and on eleven charges 16 blue stars have been transfigured into gold stars. Perhaps never before have we had such a keen appreciation of values and never before was the word service written in such large letters.

GRAND RAPIDS DISTRICT.

John C. Floyd, Superintendent.

More than 1,000 conversions have been reported from the District, and nearly 1,000 accessions into preparatory church membership, and about 900 received into full membership.

Our church building and property improvement enterprises have been affected by the war, still we have made a total expenditure for building and improvement of nearly $10,000, mostly paid for.

Our people have most of them been loyal to the Kingdom business this year. They have responded to every call the country has made upon them for service and

money up to their full share, buying Liberty Bonds, giving to the Red Cross and Y. M. C. A. work, and contributing nearly $5,000 to our own war work call, and yet in spite of these unusual demands upon their pocketbooks, they have shown their love for Christ and his Church by larger contributions to the local church budget and larger offerings to the benevolences than ever before. Every year of the past four our District has gone up the hill in offerings to local church budget and benevolences, but in this year of unusual stress and strain upon us, our climb has been higher yet. We have fewer slackers in our District than in any previous year.

This war has made great sorrow in our Methodist homes. Almost every church has a service flag and the total stars representing our church constituency are more than 1,500, and that is above our nation's average. Fifteen sons of our preachers have gone—all honor to them and to their parents who make such noble sacrifice. It is worth it, for no young men ever went forth on a holier crusade than these young men are setting their faces towards. It is with us a "holy war" in very deed and we shall not pause nor be discouraged until we have set rightcousness in the earth.

Our people in all the better charges are using our Disciplinary Financial Plan, and whenever and wherever such a plan is heartily adopted by the officials who set themselves faithfully to working it, the rank and file of the Church follow and the plan goes, much to our joy. Our District Quarterly Settlement Day adopted four years ago has been a stimulus to prompt payments of church bills.

Special attention has been given by the Superintendent to the rural church communities and our Community Betterment days are becoming a fixture and proving greatly helpful in arousing a Community consciousness and a Community spirit. Dr. Diehl was a great help to us in an itinerary he made on the District organizing several Community Betterment Clubs.

Dr. Stair did very valuable work in helping promote our Sunday School interests in many local charges, while the Institute put up by the Board of Sunday Schools was the biggest and best of the three so far held. Dr. Durgin has been a sane and helpful counsellor among our young people, and loyal to all our work and true blue in every way. Dr. Musser and Dr. Clancy have both made itineraries on our District and have left the cause of World Evangelism as a burning purpose in many hearts.

Our pastors entered upon the war work campaign with zeal and devotion so that in a single week's time every preaching place on my District was visited by a War Work Team of inspirational speakers promoting patriotism and securing contributions which aggregated nearly $5,000 to our War Work Fund.

Our pastors have given their time and services without stint, and have been among the foremost leaders in helping to make successful every war drive throughout the year and in suppressing pro-German sentiment, and in keeping the "home fires burning."

The war has made heavy inroads upon our ministry, and taken our preachers for soldiers in the ranks and for chaplains and other war work, so that we face a serious shortage in preachers this year. It may be necessary to follow the example of business firms and other industries and employ women to take the place of men who have gone to war.

Death has not broken our ranks this year, but sickness has invaded our homes and death has come to two homes.

Not long following the Conference session, but long enough for Brother Jerrett to get so well started in his new field, and so intrenched in the affections of his people, that they were having much joy that he had come as their shepherd and spiritual guide, typhoid fever siezed upon the pastor and laid him low in a hospital for several weeks. Convalesence had only fairly begun when spinal meningitis fastened its fatal grip upon his oldest daughter and she was laid to rest in the cemetery. But the bitterness of it all was not over yet, for speedily Mrs. Jerrett came down with typhoid fever and for weeks lay upon her bed of sickness. The ready sympathy and financial aid from Brother Jerrett's people and from his brother preachers and other outside friends proved that:

"We share our mutual woes,
Our mutual burdens bear."

After seventeen beautiful years of life, Floyd Bowerman, a loving and dutiful son, gentle and modest as a maiden was relieved from the suffering of a lingering disease which blighted his joyous life, and crushed his hope of a life of service. His parents bowed submissively to the Providence of the Gracious God.

Good health has been the Superintendent's portion sufficient to enable him to respond to every call for service made the year through for which he has been grateful to God, as well as for the joy of another year of work with loyal pastors, who have stood by in cordial and hearty co-operation for the work of the Kingdom.

Our Deaconess Home has housed our Deaconesses the past year whenever they have come in for rest and recreation from outside the city tasks, and has furnished a good home for the resident Deaconesses working in the city. Miss Clark, the Superintendent, is a women of fine spirit and poise, and has proved herself competent for her work, heartily co-operating with the Board.

The Clark Memorial Home has had the best and most harmonious year of its history, whether we speak of the members of the "Family" there, or of the pleasant relations of the Board of Trustees who have labored together this year in utmost harmony and delighted fellowship—counting it joy thus to labor for a noble philanthropy. We have had peace and happiness the year through.

There is no sufficient accommodation for the Superintendent and his family in the Home building—which now is becoming over-crowded by the old people residents, and the contract has been let for the building of a new home for the Superintendent, to cost about $5,000 and the work now is well under way. By using salvage from the old building occupied by the Superintendent the past year, and because of certain donations of material and cash secured by Brother Freeman, this $5,000 building completed is assured to us at a cost to our Board of but little if any more than $2,500.

The long awaited Supreme Court decision relative to the appeal from the decree of Judge Brown of the Circuit Court has come in an opinion set forth by Justice Ostrander which reverses the findings of the lower Court, and apparently sustains the claims of the appellant, so that the reversionary clause is restored to the deed conveying to our Conference the twenty acre piece of property on which the Home is situated.

When the Conference received this Trust, it did not know of the reversionary clause, but supposed that the property was conveyed in fee simple.

The Board of Trustees will of sourse accept the decree of the Supreme Court without demur, and govern themselves accordingly. We may hope and pray that there will be unbroken peace and prosperity continued to this worthy philanthropy throughout the future days.

GRAND TRAVERSE DISTRICT.

R. E. Meader, Superintendent.

The achievements on the Grand Traverse District are to be credited to those pastors who have given themselves wholeheartedly and wisely to their work. Improved leadership will yield increased results. This two-fold problem of leadership and support is becoming increasingly difficult because of the demands of the war for both men and money.

Brutus will be attached to Pellston, Alanson with Levering. Resort will be served from Petoskey and Horton's Bay from Boyne City. Clarion and Walloon will be attached to Boyne Falls. Ellsworth will be the head of a new circuit with Atwood and Norwood. Barnard will be attached to Charlevoix giving the pastor at Charlevoix at least $2,200 and a house. Jennings will be attached to Lake City and the pastor will receive a thousand dollars.

When conference closed a year ago, Clarion, Empire and Fourteenth Street and Bear Lake were without pastors. Claude Greenman, a local preacher at East

Jordon, supplied Clarion for a few weeks and later in the year A. F. Collins, who is living at Petoskey, was appointed pastor. E. A. C. Allen of Copemish was appointed pastor at Bear Lake. Rev. L. M. Whittemore, a local preacher in Central Church, was appointed as pastor of Fourteenth Street.

Empire desired very much to have W. E. Ragan for their pastor at the advanced salary of one thousand dollars and house. In the early spring Roscoe Smith, our pastor at Grawn, was taken with LaGrippe and after an illness which finally terminated in tuberculosis he passed on to his reward. Evangelist O. A. Miller conducted special meetings at Monroe Center and Grawn during Bro. Smith's illness and Amos. Bogart, a local preacher from Matchet, has supplied the circuit since Bro. Smith's death June 29th. Reuben C. Parshall enlisted in the medical department of the army in April. W. J. Cross, N. F. Jenkins, Arlie Krussell and Dr. Stewart supplied the work a few Sundays after which Evangelist H. W. Kerr was secured for the remainder of the conference year.

Bishop Henderson and his staff held two Area District Conferences in December, one at Petoskey and one at Traverse City. In May a Sunday School Institute was held in Central Church, Traverse City, under the management of the Board of Sunday Schools. The Epworth League Institutes for the district was held at East Jordan in June. C. J. Kruse is the president of the district.

Dr. and Mrs. Peter F. Stair conducted a successful camp for boys and girls at Fife Lake August 5th to 19th and demonstrated with twenty-five boys and girls the kingdom building possibilities of such an institution. Every boy and girl who attended went away insisting the time must be longer next year and thoroughly committed themselves to Christ and His service. The business men of Fife Lake cooperated heartily financially and every way and all financial obligations were provided for with a small balance in the treasury.

Dr. W. F. Stewart, of Boston, was appointed by Bishop Henderson as District Evangelist. He held meetings at Boyne City, Manistee, Levering, Pellston, Kingsley, Fife Lake, Northport, Mesick and delivered various addresses and messages in nearly every church on the district. The proceeds of the Darr estate were applied on the support of this work. To this was added the offerings from the churches where he labored.

John W. Erskine did a little work on the district assisting one or two pastors with special meetings. H. W. Kerr assisted Bro. Exner at Pleasant Valley where the work resulted in organizing a Methodist class with 54 preparatory members.

The district Superintendent assisted in meetings at Antrim, Bellaire, Messick, Bear Lake, Central Lake, and Alden.

During the summer A. M. Oviatt held a special series of meetings at Miner School house which resulted in organizing a class of twenty-five members. Plans are being made to combine with Bagnall and move the church building at the latter place to a more convenient location for the combined classes.

W. P. Mosher was assisted by Miss Fern Wheeler in evangelistic work and a considerable number of decisions were secured.

Ladies' Aid Societies report $6,364 raised. Central Church leads with $1,373.

Twenty-three charges report increased offerings for benevolences amounting to $1,662; ten report the same as last year; twelve will give less by a total of $185: three pastors failed to report or did not know. The gain for the district appears to be about thirteen hundred dollars. Special gifts are many and large, over $2,000 was subscribed on the Emergency War Fund, besides what was given for the Orphan's Home at Detroit, and for Camp Custer, the Red Cross, the District Missionary and the Y. M. C. A. war work.

The total expenditure for improvements to church property reported by the pastors is $2,306.

Quarterly conferences increased pastoral claims a total of $3,775.

Four charges decreased pastoral claims a total of $365, leaving a net increase of $3,410. The indications are that deficits will be less than last year. The chief reasons for deficits are lack of system, failure to organize and carry through an every member canvass and in some instance an exodus of paying members and the drough and grass-hoppers together with a low price for potatoes. In a few instances our

people have allowed Red Cross and other war interests to become an excuse for failing to pay the church obligations. I think it is conservative to say that the pastors will receive at least $3,300 more this year than last.

Only the most rigid economy enables many of our pastors to meet their financial obligations. How some of the men on the smaller charges manage to make ends meet is a miracle. Increased appropriations from the Board of Home Missions have helped and the Woman's Home Missionary Society has come to the rescue with boxes of clothing and some money. Without this assistance some of the pastors could not have remained at work. Let it be said in highest appreciation of the heroism and devotion of these men that not one of them has forsaken his field. It is as much credit for A. H. Gery, E. M. Koons, C. N. Babcock, E. F. Vane, Amos Wagley and Henry Rubingh and A. F. Jenne to have remained on their fields while their people were moving away and failing to bring in the small amounts estimated for their claims as for some other brethren to come up to conference with everything paid in full.

The work among the Indians proceeds as usual at Northport, Charlevoix and Kewadin. They will make offerings for the benevolences for the first time in years. E. M. Koons has been preaching to some Indians near Brethren and Amos Wagley has held some meetings with Indians at Star City. He also preached in the Indian language which he speaks fluently at the Northport camp meeting. George Allen, a worker among the Indians, has been killed in action in France.

A. F. Jenne, pastor at Sherman, has been very ill and is not yet recovered. His son Theron supplied the work for a time.

Ray Merrill and a part of his family have been in an automobile accident which resulted in a serious fracture of one of Mrs. Merrill's limbs.

Mrs. Wagley, wife of our Stittsville pastor has been obliged to go to the hospital at Petoskey where she remained for some time and is now on the road to recovery.

Oatley on the Sherman charge pays every obligation in full each quarterly settlement day. One of the members supports a special missionary assignment at fifty dollars a year.

The district has given one pastor and seven ministers' sons for war service. R. C. Parshall is the pastor and those who have given sons are, George Carter, C. W. Chase, A. M. Oviatt, Quinton Walker, D. A. Rood, W. P. Mosher and W. E. Ragan. L. M. Whittemore leaves next Saturday for war Y. M. C. A. work. Many others have gone from our Methodist homes into the service of their country and humanity. Our pastors have rendered faithful service in arousing patriotism and in the drives for Liberty Loans, Red Cross and Y. M. C. A., while our members have contributed generously to these funds.

KALAMAZOO DISTRICT.

J. R. T. Lathrop, Superintendent.

Four open doors of opportunity, occasioned by the War: The Army, Navy, Y. M. C. A. and Chaplaincy have claimed a number of our Ministers. Lester Ragan a Probationer, Burr Berry who was to have been admitted on trial at this Conference, are at the Great Lakes. Roy Hover is at Chickamaugua. A few days before Conference, Guy W. Hawley, of Allegan, accepted the secretaryship of the Men's and Boys' work of Allegan County. Earl Cook who was on Probation, early in the year accepted a call to the Baptist Ministry, and in the month of August W. E. Goltz left us for the Congregational church.

In the series of Fourth Quarterly Conference just closed the Boards voluntarily increased the salaries for next year. In this list are Allegan, Alamo, Athens, Upton Ave., Galesburg, Simpson, Stockbridge, Mendon, Plainwell, Penfield, Urbandale and

Vicksburg. Some of the charges will be readjusted so that the support will be adequate for these times.

Providence has dealt kindly with the parsonage families. Only one, the three and a half year-old boy of Brother and Sister C. J. Kendal, Charles Jason, a child much beloved by the community, after a prolonged struggle with pneumonia, went from earth, to be forever with the Father of all little children.

Patriotism has run high. Hundreds of our young men, whose going to the front, is symbolized by Service Flags, have created a deep sense of God. Our people are more prayerful, the Gospel means more to them, and a world vision is coming to the churches. The law of personal sacrifice is becoming regnant. The great forward movements have received quick response, as have all government calls, and communities have vied with each other to go over the top.

The District Area Conference in December, with Bishop Henderson in charge, with his staff, proved a creative agency in the years program. In May the Board of Sunday Schools under the direction of Dr. Wilson, held a Sunday School Institute with over four hundred delegates present. District itineraries, in company with the District Superintendent acting as chauffeur were made by Drs. Musser, Diehl, Durgin and Stair. These men spoke at banquets, in high schools, and churches and the result shows in all the departments which they represent.

Regular Benevolences will be about the same as last year. The churches, however, have all given largely to all the philanthropic and patriotic calls.

Improvements to the amount of $10,000 have been made. South Haven in the splendid improvement of its parsonage—Hopkins, Alamo and Kendal, and East Ave., deserve special mention. There has been a creditable reduction of old debts.

THE WAR ZONE ACTIVITIES.

The program for the soldiers has been enthusiastically promoted. All pastors have gone into the camp, speaking, holding private interviews, baptizing soldiers. The soldiers have responded with delightful appreciation to all our ministrations. The great camp, with 50,000 men spells out an overwhelming task for the Church of Christ.

The great Sunday evening supper occasions at First Church, Battle Creek, have become centers of spiritual profit. This church has just closed one of the finest years in its history. All benevolences are in full, $500 paid on mortgage debt, $1,400 on improvements and crowded services.

The outstanding task in the War Zone is at Augusta. W. H. Smith has lead in this unique enterprise, which is, in a word, the enlargement and readjustment of our entire church life to the welfare of the soldier and the community. The old parsonage was sold and a new parsonage was purchased—in every way modern. Then the fine lots adjacent, just across from the park, were bought for $900 and the church edifice moved, lifted up making a fine basement; a rest room is being added to serve the community life, and the auditorium beautified. When completed the building with lot will be worth $15,000.

The cantonment threatens to surround the village. Soldiers by the hundreds are in and around the place. Some $5,832 have been received, of which the Board of Home Missions and Church Extension have donated $1,000. It is the best expression of community co-operation I have ever seen.

A word should be said of the self-sacrificing and efficient service rendered by William Chapman as Camp Custer Pastor in addition to his regular church responsibilities. G. LeRoy Schnell throughout the year has directed the social functions for the soldiers in all the churches and will, wherever desired, continue to do so.

KALAMAZOO METHODISM.

Our First Church has now 914 members. It works in splendid harmony with our City Methodist program.

Simpson has come into the possession of the property willed them. The Methodist Union paid toward its debt altogether $2,760. Brother Taylor has also been look-

ing after the growing suburb Parchment, where we have a good Sunday School where he occasionally preaches and some day will have a flourishing church.

East Ave., has been redccorated, reroofed, parsonage painted. To accomplish this the Union paid $1,310. It is worthy of note that the Union has paid to the several churches $5,012. Dr. Kendrick is the President, and the Methodists of the City are beginning to realize what this co-operative work means.

Stockbridge purchased, under the authority of the Union, a commodious and modern home just East of the church, retaining for rental the old parsonage. This gives to Stockbridge a very fine property. The Union has paid to Stockbridge on interest and debts and improvements $942.

The Union has purchased a Community House on Third St. in the Hungarian Colony for $1,600 upon which $960 has been paid. Two of our own Deaconnesses are on the ground, Miss Avery and Miss Lyman. The work is well organized.

On September the first we organized a Methodist Episcopal Church Society at Recreation Park. For sometime Brother Wilson has been preaching there.

Thus, the "Kalamazoo Plan" is proving a real plan. We are far enough along to commend this to all growing cities for the unification of Methodist enterprises.

LANSING DISTRICT.

William H. Phelps, Superintendent.

We are at war, yet we have lived another year without the loss of life or faith. I wish I could say also, without the loss of health, but C. L. Beebe and B. T. Fisk will ask for a supernumerary relation for their wives' sake, and P. D. Huff and Wm. Jones will retire, the former I fear permanently on account of failing eyesight.

Geo. P. Stanford waived his exemption and went to Camp Custer with the selected men, Ralph M. Dean went from Elwell to France. W. B. Benn went from Mt. Hope to the "Y" camp at Great Lakes.

After conference David Reed supplied Bannister until a regular pastor was found in A. W. Simmons. Floyd Krueger took the Elwell church, and F. W. Corhett accepted the Mt. Hope work.

If we are proud of anything it has been in the giving of our parsonage boys to the service. Besides the two who were returned after their final examinations, the following have gone from our parsonages: Clayton Huff, Ann Arbor Service School; Abram Huff, reported missing; Arthur Seipp, France; Lawrence Callahan, Navy; Carl Corbett, State Troops; Beverly Brown, France; Alward Brown, Ann Arbor Enlisted Reserves; Warren Maxwell, Navy; Clifford Wooton, France; Clare Hodgeman, Navy; Edward R. Kirkbride, France; Kirk Armstrong, in training; Howard Youngs, Fort Bayard; Victor Dixon, just enlisting; George H. Thompson, Eng. "Y"; Case Robinson, Camp Pike.

G. T. Fisher has the honor of having three grandsons in service. God gave us these boys, but not to keep, and perhaps in a few brief months they can accomplish a life task. We can not hope that all will return to us, but we do expect every man to live and fight clean. If our blue stars turn to gold we can still rest on what we have preached during the years. Some at least can preach with new understanding the story of one who gave his only Son for us.

Our girls are fewer in number but not behind in patriotism, Pauline Armstrong being the first to answer the call for nurse training.

On Feb. 9th, Brother E. F. Newell died and loving friends laid him away, recalling the years of faithful service and usefulness as a minister in our conference.

The Fowler church burned during a funeral, the St. Louis church caught from the furnace and the Easton church was struck by lightning.

However the Lord came after the fires and in a half hour the St. Louis church

pledged $3,000 to add to the $6,000 insurance, and their new church will be ready by Thanksgiving time.

The new $6,000 church at Fowler was dedicated September 1st.

First Church, North Lansing refused to burn despite many auto-suggestions, but had to be wrecked. The new $35,000 church was dedicated in triumph. Strong faith and hard work with H. V. Wade as chief operator accounts for one of the most complete and well arranged plants in the conference. Central's pastor and people brothered this enterprise to the great delight of both churches.

The Elsie board sold the old parsonage amid some misgivings but the new parsonage is a gem and now ready for a tenant.

The new annex at Sebewa Center is an evidence of the vision and faith of H. W. Ellinger and his church.

Two interesting experiments are being tried near Lansing. At M. A. C., N. A. McCune has had a great year as pastor of the Peoples Church where he ministers to citizens, soldiers and students.

The other experiment is being tried by E. K. Smith at Delta who is trying to find out whether a rural parish is as great an opportunity as the booklets declare.

The district has worked conscientiously at the rural situation. I am this year opening nearby charges to promising men who will take either the eight or the sixteen weeks course at M. A. C.

Nevertheless, if our men are not perfect, they lead the line in the number of places where the church is succeeding in the country, in the number of outstandiug examples of service, and in wide influcnce. Think of what some places used to be, and go visit them today! On this rural district there will only be about ten places paying less than $1,000 cash salary next year.

The county unit program has not yet had a fair chance, but is developing in Gratiot a new Methodist consciousness. Intensive work will be started in Clinton county also. Gratiot had the two outstanding revivals of the year.

Evangelism has been this year largely in our thought and programs, but everybody knows the story of the hindrances. The Zoller party led two great meetings that lifted Middleton and Breckenridge to new heights. Other meetings were held with fair results, and some honest work was done with no results that show in the statistics.

The tithiug campaign was a real revival. Lansing's First signed up 208 tithers, leading the state I suppose. Belding found over 100 and many churches secured their quota of one-fourth of the membership. I put twelve Sundays in twelve of the stronger churches and was surprised at the welcome given the message of the tithe, by the large number of our leading laymen. But the campaign tested out the churches revealing their conservatism or their faith and aggressiveness, and it tested out the preachers also. I think we must now have nearly 1,000 tithers on the district.

The heart of the Centenary is getting into our hearts, We believe the Centenary to be born of God and pray that it may mature to full stature under the Spirit's direction that we may not be betrayed into any attempt to win by our wits alone, Every plan and method and organized effort must be laid on the alter, and we must be ready to meet sacrifice with sacrifice, heroism with heroism.

We still have the three varieties of Sunday Schools, good, bad and worse. Great advances have been made, but we lack the steady perservance that the Sunday School demands.

The Epworth League has had a lot of tonic applied to it, and yet only when it gets regular pastoral attention does it seem to grow steadily without periods of withering. One of our Leagues of 50 members sent out in one year, 12 to war, 11 to Alma, 5 to college, and 2 to teach. The League offers the pastor a fine chance to train his youth.

The Michigan Advocate was never a greater power than now. If our men led on the Advocate contest it is because the paper is a true and tried friend and a sure cure for iguorance and prejudice, and a pillar of fire telling which way Methodism is marching.

The laymen have not been one whit behind the pastors in loyalty to the church.

They have advanced our support and treated us royally, and they have a right to expect us to break to them in this world crisis the bread of life.

I tremble lest I shall have nothing of sacrifice or heroism to add to today's suffering.

NILES DISTRICT.

William P. French, Superintendent.

Niles District commenced the conference year under the care of thirty six preachers, with two charges Pokagon and Girard left to be supplied. Early in the year, Gordon McDonald was transferred from Sherwood to Pokagon, Gordon Phillips a student in Albion College was secured for Sherwood, and Alfred Thompson for Girard. At the close of the 1st quarter John Everington was compelled because of failing health to resign the White Pigeon circuit. J. W. White, one of our honored superanuates, at the request of the church consented to take the work until conference.

In February, W. W. Gray broken in health found himself unable to continue his work on the Burr Oak charge, and his son, Vincent, a student in Baldwin-Wallace College, was appointed in his place. July 1st F. L. Blewfield our pastor at Three Rivers, received his commission as army chaplain, and was ordered to report at once for duty, leaving one of the important pulpits of the district vacant. August 1st, Brother M. A. Braund was secured for the charge.

Our District Area Conference held in Benton Harbor, November 22nd and 23rd was very largely attended. We had 450 paid registrations, nearly every charge being represented.

The annual convention of our District Epworth League, held in Buchanan in the early spring, was marked by the largest attendance of delegates for years.

Crystal Springs Camp Meeting, August the 1st to the 11th, was indeed a time of refreshing from the presence of the Lord. The attendance was large, and in matters spiritual and intellectual the meeting was of a very high order.

The churches of the district are alive with patriotic fervor. There is not a church but what displays the flag, and flag raisings have been made sacred as well as patriotic occasions. A service flag hangs in three parsonage windows, St. Joseph, Dowagiac, and Niles with two stars on each, representing sons who have enlisted in our great war for world freedom, and on the service flags of the churches of the district there are 625 stars, and some of them have already turned to gold.

The preachers of the district have rendered all possible service to the federal government in its various war measures; they also loyally responded to the call of our National War Council. The charges contributed over $2,500 to the War Emergency Fund.

Many of our Sunday Schools passed the usual Christmas treat into the form of service for others, donating the money to help the suffering Armenians and our Children's Home in Detroit.

The extremely severe winter with stormy Sundays and fuel shortage, interfered very much with the regularity of services, but I am pleased to say that reports received at the close of the year were very encouraging, and we believe the district will make a fair advance over the previous year.

The financial situation shows a marked improvement in the number of charges that are adopting more systematic methods of securing support for the church. The support of pastors was largely increased this year, while the promised advance in cash salaries for next year will total $3,300. There has been much sickness in the district this year and the death angel entered two of our parsonage homes, Sister M. A. Oldt, wife of our pastor at Bronson, after a brief illness passed into the home land, and August 3rd, Calvin first born, and only son of Brother and Sister McCombe of Benton Harbor, went from us to join the angel band.

When we think of faithful pastoral work performed from day to day, the sick visited, funerals attended, patriotic addresses given, the canvass for Y. M. C. A., Red Cross, Liberty Loan Bonds, the securing of funds for local church purposes, the raising of money for church benevolences, and remember that on many charges the pastor is the man, who in addition to his pulpit preparation, does or inspires a large part of this work, we feel that no report can do justice to the faithfulness which these activities involve.

Our church in Benton Harbor is truly doing a great work. The salary this year was fixed at $2,500, the pastor to secure his own home, that the parsonage might be used as a community house, and also to relieve the congestion in the growing Sunday School.

Seven thousand and sixty-five dollars was raised to pay an old indebtedness. A continuous winter evangelistic effort climaxed in an intensive two weeks' Easter Campaign, with the whole constituency thoroughly organized into districts with captains, under the leadership of the pastor, and closed on Easter Sunday night with 150 standing at the alter seeking admission into the church. More than 200 have united with the church this year, and the services from week to week attract large congregations, not by spectacular methods, but by an able and forceful presentation of the Gospel.

The union of two Gilead churches is now an accomplished fact. Bishop Henderson to the delight and profit of an audience that completely filled the auditorium, preached the sermon and dedicated the remodeled church. The charge now promises $100 increase in salary next year.

Bangor promises $200 increase in salary for next year. Berrien Springs advanced the salary $200 at the beginning of the year, and promises $200 increase for next. At Buchanan, $260 on indebtedness was paid this year, improvements made on church and parsonage costing $150, the salary increased $100 for this year and $200 advance promised for next. On the Coloma and Watervliet charge $900 was paid on indebtedness this year, and a $200 increase in salary promised for next year. Cassopolis paid $200 indebtedness, made improvements costing $125, and promises $200 increase in salary. Centerville advances $200 next year.

At Colon, a beautiful memorial window, presented by a member, Brother Bell in memory of his wife, lends attractiveness to the church. Decatur advanced the salary $250 this year, Dowagiac promises $200 advance next year and has it already pledged, and Edwardsburg has pledged an increase of $200. Keeler and Silver Creek advanced the salary $100 this year, with pledge of $300 more next. Lawrence pledges $200 advance in salary making $475 advance in five years, and Lawton also adds $100 to the salary.

Marcellus advanced the salary $100 this year and promises $200 advance next. The church has been redecorated and parsonage improved at a cost of $500.

The church at Niles is facing a great opportunity. That city has been made the western division terminal of the Michigan Central Railroad. This will involve the expenditure of $2,500,000. Eight hundred men will be required to operate the terminal and it is estimated that the population of the city will he increased by at least five-hundred families.

Paw Paw has paid $200 on indebtedness. At Sturgis $900 was paid this year on indebtedness, and the salary will be advanced $300 for next year.

Our church in St. Joseph has enjoyed another good year. The benevolences this year are the largest in the history of the church; the pastors salary was advanced $100, and he was invited to return for the fifth year. Four-hundred and fifty-six dollars was paid on indebtedness; extensive improvements and decoration of the church parlors have been made costing $650, and a beautiful memorial window was placed in the church by a member, Mrs. Gorsett in memory of her deceased sister-in-law.

Under the intelligent and enthusiastic leadership of the pastor Brother Miles, the work of church improvement at Stevensville commenced last year was completed this spring. The reopening service was held Sunday morning, May 12th, and the total cost $1,800 was all provided for. Two-hundred and fifty dollar increase in salary is promised.

Vandalia and Jones promise $300 increase for next year, the membership has been increased, and for the first time the entire apportionment for the benevolences will be met.

Brother Dewey, our pastor at Three Oaks was appointed District Epworth League President, after Brother Blewfield resigned, and we are expecting a revival of interest in practical Christian work among the leagues of the district.

REPORTS OF STANDING COMMITTEES, BOARDS AND AGENTS.

AUDITING COMMITTEE.

The Conference Committee on auditing has examined the vouchers of the District Superintendents for Home Missionary funds handled, and the accounts of the secretary, the treasurer, the statistician, and the secretary of transportation of the Conference, and of the treasurer and of the assistant treasurer of Clark Memorial Home, and find them correct.

We recommend the payment of ten dollars to the janitor of the church in which the Conference has been held, and the payment of the following bills:

Geo. A. Brown, expenses of secretary	$32.35
H. B. Johnson, expenses of statistician	35.65
G. B. Fleming, expenses of treasurer	8.50

W. W. HURD,
JOHN G. BIERY,
F. H. CRAMER.

CLARK MEMORIAL HOME TRUSTEES.

There have been fifty residents in the home during the past year, four men and forty-six women. There has been an average of thirty-six. There are now in the Home three men and forty women. Of these, one is a clergyman, seven are clergymen's widows, and one is a clergyman's mother. Those admitted during the year are:

Mrs. Frances Stebbins, Charlotte; Mrs. Ellen L. S. Merriman, Lowell; Mrs. Matilda Randolph, Nunica; Mrs. Eliza F. Osborn, Frankfort; Mrs. Mary E. Hammond, Ovid; Mr. Curtis Simmons, Ovid; Mrs. Sarah A. Simmons, Ovid; Mrs. Ida L. McCoy, Oregon; Rev. R. W. Tindall, Big Rapids; Mrs. J. J. Warren, St. Johns; Mrs. Octavia R. Eaton, Grand Rapids; Mrs. Polly M. Cole, Lake Odessa; Miss Myra L. Adams, Cedar Springs; Mrs. Sara L. Sewell, Niles; Mrs. Eliza Bilbo, Paw Paw.

Three have removed during the year, Mrs. Lily D. Howe, Mrs. Ellen L. S. Merriman and Mrs. J. B. Kilbourne.

Deaths during the year have numbered four: Mrs. Harriet N. Teal, Dec. 25, 1917; Mrs Addie Pringle, March 11, 1918; Mrs. Belle F. Dodge, April 14, 1918; Mr. Aaron L. Bennett, June 11, 1918.

Painstaking care has been taken by the Home Committee in their investigation of the fitness for admission to the Home of all applicants and by the Board itself in deciding the question of admission. The members of the Board have been unfaltering in their devotion to their duties throughout the year. The managers of the Home are grateful to the pastors and congregations who regularly contribute cash and snpplies, thus enlarging the ministries of the Home.

The Trustees request that the Conference accept the same apportionment for the support of the Home as last year.

Respectfully submitted,
J. C. FLOYD, Pres. Board of Trustees.

CONFERENCE DEACONESS BOARD.

The Conference Deaconess Board of Michigan Annual Conference met at Aldrich Deaconess Home, Monday, Sept. 8, 1918, at 2:00 o'clock, and the following business was transacted.

It was voted to relicense the following deaconesses, viz., Mrs. Ella C. Hartshorn, and the Misses Mildred Avery, Bertha M. Clark, Hattie E. Davis, Jennie L. Gilmore, Herma R. Laskey, Zoa L. Mitchell, and Nellie D. Shorter.

It was also voted to continue the Misses Leah Belle Lyman, Katherine Stroven, and Laura A. Elmer on probation and to renew their probationers' certificates.

It was decided to recommend the Misses E. Pearl Swank, Edith O. Collins, and Belle Whitcomb for consecration and also that they be licensed by the annual conference.

Miss Hattie E. Davis, presented her transfer from the Vermont conference with their approval of her transfer, and this board accepted her transfer.

The Conference Deaconess Board asks that the appropriation made by the annual conference for the purpose should remain as it has been here-to-before. The work is being enlarged and since the closing of the training school one source of income has been withdrawn, that is the scholarships. The conference board asks the hearty co-operation of the pastors and people of the conference in the work of the Home for another year. The deaconesses have met with large results the past year, and are a vital factor in the work of the Kingdom.

G. B. FLEMING, Secretary.

COMMITTEE ON EDUCATION.

The signal success of the Educational Jubilee Campaign conducted under the auspices of the Educational Association and Board of Education in adding to the endowment of the educational institutions of Methodism an amount aggregating Twenty-seven Million Dollars is convincing proof of the high value placed upon higher education by our great Methodist Episcopal Church.

The Student Loan Fund, derived from the Children's Day collections, has aided from the beginning more than twenty-five thousand Methodist young people. During the Board's last fiscal year 2,062 students received this assistance. This fund for the year ending December, 1917 amounted to $99,000, an increase of $14,000 over the preceding year. Michigan Conference's gift to this worthy fund was $2,141.

We note with appreciation our Government's recognition of the efficiency of our church schools and the great emphasis it has placed upon higher education by including these schools in its plan for the Students' Army Training Corps.

Because of the continued high standards of scholarship of Albion College and its valuable contribution to the upbuilding of the Church of Jesus Christ and the defense of world democracy, we renew our pledge of hearty support. We regret the failure thus far to include Albion in the Educational Jubilee, and approve the plan under advisement whereby our College will share to the extent of $500,000 in the Centenary Campaign.

We recognize the valuable work of the Freedman Aid Society and recommend that each pastor observe Lincoln Day, and, that in addition to raising the full apportionment for the work of this Society, an effort be made to increase it as largely as possible.

The splendid theological schools of our church furnish excellent opportunity for our young men preparing for the ministry to obtain training for large efficiency and are worthy of our support. We therefore heartily endorse their work.

ARTHUR E. GAY, Chairman.

EVANGELISM.

We believe it ample time that we put a larger content into the meaning of evangelism in the face of this present world war. Only thus shall we be ready to properly receive our boys when they come home.

Therefore we heartily affirm our confidence in our Area Program of evangelism —the time legion, constituancy roll and the Sunday night appeal from our pulpits.

We urge pastoral evangelism and the training and use of our talented laymen in this greatest of all work of our Church. We further urge and recommend that a much greater use be made of decision day in our Sunday Schools together with a thorough and systematic preparation for it in weeks of prayer and personal work We further urge upon the attention of the Church that the greatest business on earth for pastor and people is the winning of people one by one to a saving faith in Jesus Christ as their personal Savior.

F. M. THURSTON, Chairman.

COMMITTEE ON FINANCE.

Resolved, That we urge upon our people the importance of the Regular Benevolent Enterprises of the Church and that regular appropriations for the same should be considered as the minimum of our giving; and we heartily endorse the system of Stewardship and tithing as recommended by the Centenary Committee as a standard of giving which should become prevalent among all our people.

Resolved, That we recommend that the District Superintendent be authorized to apportion the following amounts for distribution over the charges as Special Conference Benevolences:

For Clark Memorial Home one per cent of the Pastors cash salary.	
Aldrich Deaconess' Home.....	$1,800 00
U. of M. Pastor.....	1,500 00

We recommend that under other collections the following may be reported.
District Emergency Funds.
Anti Saloon League Support.
Offering for Wesley Hospital.
All funds raised under recognized authorities for War Relief.

S. W. LARGE,
WILTON BENEDICT,
H. E. WYLIE.

COMMITTEE ON GENERAL REFERENCE AND RESOLUTIONS.

Resolved, That the Michigan Annual Conference express its high appreciation of the many courtesies that have been extended on the part of the citizens of Jackson, the pastors of the various churches, and the Press; that their open-hearted hospitality, gracious reception and keen interest, have greatly contributed to the success of the Conference.

Resolved, That we express to our Presiding and greatly beloved Bishop Berry, our gratification upon having his presence at this Conference session. His brotherly spirit, wise counsels and spiritual advices have been greatly appreciated by all.

Resolved, That we exress our high appreciation of the work of the Methodist Children's home in Highland Park under the leadership of Mrs. Peter F. Stair and commend it to the generosity of our people.

Resolved, That as Prussianism in Europe and pro-Germanism in America have been shown to be a deadly menace to the dearest hopes of our Christian civilization, we therefore renew our pledge to our Government to "carry on" until these forces shall be overcome. That all matters pertaining to the successful prosecution of the war as proposed by our Government, shall be enthusiastically supported by the Methodism of Michigan, and further that we most heartily endorse the position of our educators in eliminating German as a language study from the curriculum of our schools. And be it further

Resolved, That the Secretary of the Conference be instructed to send a telegram to our President expressing the sentiments of the above resolution.

Resolved, That we hereby express our appreciation of the work of the District Supts., in gaining a general advance in the pastoral support, especially on the smaller charges, and we reccommend wherever possible and advisable the union of church forces and that the District Supts., be authorized to make the necessary adjustments and transfers of church property.

C. S. Risley,
William W. Slee,
J. F. Bowerman.

COMMITTEE ON PERIODICALS.

Competent authorities admit that no Church in Christendom publishes and puts out a higher type of religious literature than ours. We note with pride that while the number of publications has been reduced, owing to market conditions and the war, the high quality is sustained.

The fact that the sales of our Uniform Sunday School Publications have passed the Million-dollar mark, while those of the Graded Lessons show a decided increase, indicates the wide favor in which these publications are held.

In these days when the faith of men and nations is being tested, we note with gratitude the high note of patriotism in our Church publications. Through editorials and contriibutions they have rendered conspicuous service to the whole government program of war preparation, and have been widely instrumental in disseminating the highest type of Americanism throughout our Country.

We rejoice that in spite of the stringency of the times, the Book Concern announces a dividend of $250,000 for distribution among the Conferences. We urge that, every effort be made to increase the circulation of our literature for that is a sure method to extend the influence and power of the Church.

D. D. KING, Chairman.
JOHN W. VICKERS, Secretary.

REFORMS.

Believing that tobacco, especially in the form of cigarettes, interferes with the sleep, lowers the vitality, weakens the heart, dims the eyesight, and shatters the nerves of every person who uses it, we believe that everybody who encourages this death-dealing practice by giving, selling or furnishing it, especially to our soldier boys, is consciously or unconsciously an enemy of freedom and human welfare, and we regret that the American tobacco companies have been able to enlist many women's clubs—the Red Cross and even the Y. M. C. A. in helping spread this pernicious habit.

Inasmuch as the Christian Sabbath is one of the foundation stones of our Christian civilization, we greatly deplore and protest against the inroads made on the sacredness of the day by moving pictures, joy riding, Sunday knitting, and other secular pursuits and amusements. We would most emphatically enjoin our people to systematically and consistently keep the Sabbath day holy themselves, and discourage all abuses of the sacredness of such a holy and divine institution.

We rejoice in the marvelous advance made by the temperance cause—the death knell is now ringing for King Alcohol. At last war-time prohibition has been passed by Congress. On the first day of May 1919 no grain, cereal, fruit or other food products shall be used in the manufacture or production of beer, wine, or other intoxicating, malt or vinous liquor for beverage purposes. After June 30, 1919, during the continuance of the present war and the period of demobilization, no intoxicating liquors will be manufactured or sold for beverage purposes. Fourteen states have already adopted the amendment to the constitution for national prohibition. We congratulate and commend the Anti-saloon League on the decision given by the courts against the proposed beer and wine amendment. We urge all of our people to assist in the enforcement of our prohibition laws.

We call upon our people to preach and practice patriotism in every way possible, but deplore the spirit of hate which is becoming so prevalent, and the growing tendency to condone profanity.

We look with alarm upon the wide-spread evil of gambling which is fastening itself upon the youth of our land, and earnestly call upon our preachers to protest and prohibit when possible. Charity, philanthropy and religion should frown upon this vice and refuse to be beneficiaries of this vile practice.

We hereby renew our allegiance and pledge our best service to our Country and God.

QUINTON WALKER, Chairman.

FIELD SECRETARY OF THE ENDOWMENT FUND.

On the 1st of last April, the B. S. Mills farm, near Fountain, Michigan, consisting of 480 acres, came into our possession by deed in Fee Simple.

We pay 5 percent on $18,000 semi-annually and assume besides mortgages amounting to $1,500 more, which have been paid off, making a total value of the farm to us of $19,500.

We found on taking possession both farm and buildings in anything but good condition, hence, we were forced to make necessary improvements at considerable cost to the fund and not finished yet. The farm represents an investment of nearly $23,000.

The return from the crops and stock will not pay the annuity to Brother Mills

and other expenses of the farm. We face a loss this year I fear, hut which may be made good in the returns from the farm another year.

The Goodrich farm is an entirely different proposition. When we took possession, the huildings and fences were in good condition, little has heen spent for repairs and the stock came to us at half its value. However, the returns from this farm the first year we worked it did not pay the annuity and expenses, hut there will he something left to offset the loss of the first year.

After handling these farms for the past three years, I have come to the conclusion that taking farms on this annuity plan is a questionable policy for the Conference to pursue.

The additions to the Fund this year including the farm, never counted before hy the treasurer, amounted to $26,500.

Unless notes to he paid out of estates are promptly reported by the preachers and sent to the Probate Judge as a claim, there will be a great slump in the amount.

Complying with the directions of the Conference, I sent statements to all contributors who failed to respond hefore Conference last year requesting paymcnts of Principal and Intcrest due on notes, with some results hut not equal to the amount duc. Some notes considered doubtful or worthless have heen paid, this amounting to three or four hundrd dollars.

A second statement was mailed to every one owing us in June and July last, so due notice has been given.

The amounts I have turned in to the Treasurer this year is over $13,600, ahout $7,000 of which is money raised this year. These additions to the Fund are nearly all cash. Have invested $15,000 in mortgages since last Conference.

The expenses this year are larger than usual owing to the increase in transportation, postage, the Mills farm and the growth of the business. However, I am very glad to report that the check for the stewards from the Fund will be $718 more than last year.

This closes the seventeenth year of my connection with the Fund, twelve as trusfee and chairman of the Investment Committee and five as Secretary. I have tried to do the work conscicntiously, thoroughly, carefully, safely and promptly.

Respectfully suhmitted,

L. E. LENNOX.

FIELD SECRETARY OF THE SUPPLY PASTOR'S ENDOWMENT FUND.

Of all the tasks assigned to a man in detached service none compares to the luxury of leading folks to practice the grace of Christian giving. This has heen our happy lot during the past five years.

While for all our people this has hcen a strenuous year, it has been the most fruitful of all the five we have labored for this worthy cause. We have secured in cash and pledges this year the sum of $10,164.00. During the five years we have received gifts totaling $39,283.00.

The total amount of cash received this year is as follows:

General Fund	$2,010 40	
Interest on pledges	211 18	
Interest on mortgages	742 00	
Total Cash Rcceipts	$2,963 58	
Amount now in and loaned out on Real Estate Mortgages	$15.250 00	
Cash on hand in General Fund	1,374 59	
Total Gencral Fund	$16,624 59	
Interest available for distrihution this year		$1,016 74

W. P. MANNING, Field Secretary.

SECRETARY OF TRANSPORTATION.

The Secretary of Transportation wishes to submit the following report Cash on Hand when the present Secretary assumed the duties of this office, $9.17, being the balance turned over by Rev. Russel H. Bready his predecessor in office. Receipts from Conference balances $810.99, making total receipts of $820.16 total expenditures $602.92, divided as follows: $559.17 personal balances paid out, $43.75 expenses of the office, books, postage, printing, etc. Leaving a balance, September 16, at this hour, 12 noon, of $217.24. There are a few checks yet to be written.

Of the 436 possible participants in the plan this year 244 had a Conference Balance, and 192 had personal balances; 109 of this number have received their checks. Of the 244, 226 either have paid their Conference balance or are not at the seat of Conference. Four have promised to send their balance later in the year, leaving 14 failing to participate. Of these 14 but 5 refused to recognize their obligation, nine not having been seen by the Secretary.

Respectfully submitted,
ROY COULEE LORD, Sec. of Trans.

REPORTS OF SPECIAL COMMITTEES.

REPORT OF SPECIAL COMMITTEE ON AUDITING PLAN.

Your committee appointed to consider the proposition of a system of auditing as presented by the Commission of Finance reports as follows:

Resolved, That the Conference elect a Conference Auditor, who shall be authorized to nominate one assistant from each district and that the auditor and his assistants shall be the Auditing Committee required by the Discipline.

Resolved, That the Auditing Committee acting in conjunction with the Conference Treasurer and his assistants audit the Pastors' Reports according to the following plan:

The assistant treasurers and assistant auditors shall work together in opening the envelopes and verifying the reports.

It shall be the duty of the assistant auditors to compare the vouchers with the reports of the pastors and to make a report to the auditor of the amount of cash and vouchers received by the Treasurer from each District.

Resolved, That within ninety days after the adjournment of this session of the Conference the Treasurer submit to the Auditor his report as presented to the Conference together with his receipts from the benevolent boards for the sums due them severally and a statement of the funds remaining in his hands, if any.

The Auditor shall therefore audit the report and receipts, and if they are found to be correct he shall deliver the accounts and funds (if any) to the Treasurer elect.

Resolved, That the Auditor and his assistants shall also audit the accounts of the Secretary, the Transportation Secretary, the Treasurer of the Board of Stewards and the Missionary funds of the District Superintendents.

Resolved, That the Conference Treasurer give bond as required by the Discipline in the sum of $5,000 (five thousand dollars). The Conference shall pay for the cost of said bond.

Resolved, That no causes be reported under the head of Other Collections, except such are authorized by the Conference Committee on Finance.

Resolved, That the Conference elect the Treasurer for next year's session and that hereafter at each session of the Conference the Treasurer be elected for the succeeding session.

W. F. KENDRICK,
G. K. FAIRBANK,
G. B. FLEMING.

COMMITTEE ON ENDOWMENT.

YOUR COMMITTEE ON ENDOWMENT WOULD RESPECTFULLY REPORT.

1. We commend the evident care with which the endowment funds of the Conference are invested. We have examined the list of securities, and find them to be composed of real estate investments of the best and safest character. The rate of interest is fully up to the legal current rate.

2. We commend the investment policy of the Board of Trustees, as well as the policy of disposing of all real estate holdings as rapidly as fair prices will warrant.

3. In the matter of the one percent on salary for endowment additions. Your committee finds that 125 members are complying with the action of the conference, that 75 have paid in part, and that 56 have paid nothing.

In view of the fact that this one percent on salary goes into an endowment fund, the interest of which becomes a part of the annuity paid to each member of the Conference on retirement, and on the basis of years of effective service, every member of the Conference should contribute at least this annual one percent to this fund, from which his own annuity must be paid.

Your committee would recommend:

First: That in case any member fails to pay the annual one percent, the amounts shall be carried by the Secretary, as a charge against that member at six percent interest, and that such full amount of principal and interest shall be deducted in equal installments from the first three annuity payments which shall be made to such member on retirement.

Second. That beginning with the next Conference session, an honor roll of all members who have paid this one percent in full to date shall be printed in the Conference minutes.

Third: Your committee would also recommend that the notes and subscriptions of members of the Conference given for this fund, which remain unpaid after 1920, be held against those who gave them, in the same manner as the unpaid one percent of salary.

Fourth: That every pastor be urged to use all necessary diligence in collecting and reporting on notes given by the residents of his charge.

M. L. FOX,
THOS. COX,
A. R. JOHNS,
R. J. SLEE,

E. A. ARMSTRONG.

SPECIAL COMMITTEE ON SUNDAY SCHOOL LOSS.

Inasmuch as the report of the Statistician has brought to our attention that during the past year there has been a loss of Sunday School membership of 4,593 within the Conference.

Your Committee would suggest that we look upon this situation with grave concern and would call the attention of the Conference to the fact that a broad

and consistent patriotism demands a deeper consecration to the work of the Church, as expressed through the Sunday Schools.

We therefore emphasize:

1. The need of a more thorough system of Sunday School records and more careful attention to the membership rolls.

2. That the Bible, as the textbook of the Sunday School be given a prominent place.

3. That the pastors both in their pastoral ministration and pulpit message, bring to the attention of our people their increasing responsibility for the religious life and training of their children in the home.

4. Finally we would call the attention of all our people to the fact that the war conditions, with its hoped for outcome of the establishment of righteousness throughout the earth, demands that all give themselves to a deeper spiritual consecration to the great work of winning our youth to a conscious personal religious experience.

M. M. CALLEN,
L. H. MANNING,
W. F. KENDRICK,

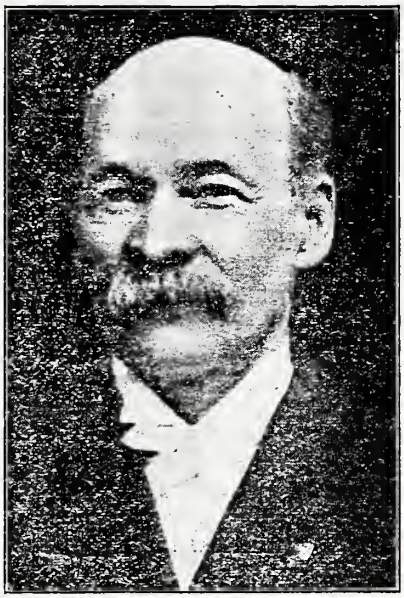
MEMOIRS

JOHN WESLEY DAVIDS.

John Wesley Davids was born October 3, 1853, in Danby, Ionia county, Michigan, and passed to his reward from his home at Charlotte, February 7, 1918, at the age of sixty-four.

His early years were spent on the farm where he attended the district school and helped his father clear the place. After graduating from the



REV. J. W. DAVIDS.

Portland High School, he taught for several terms. During the winter of 1875 while teaching school in Roxand, he gave his heart to the Lord and later dedicated his life to the ministry, faithfully serving the church for thirty-three years. He had an eager desire for learning and worked his way through Albion College, graduating in 1882 with the degree of Bachelor of Arts, and afterwards taking the Master's degree.

He joined the Michigan Conference in 1882 and was stationed at Coral.

On August twenty-second of that year, he was united in marriage to Miss Clara Shelly, a daughter of Rev. D. H. Shelly, then pastor of the United Brethren Church in Charlotte. This union was blessed with one child, John Ward, but the following year the mother died. In the fall of 1884 he was appointed to Lowell, and in October of that year, was united in marriage to Miss Alice Smith of Greenville, who survives him. To this union were given eight children, five of whom have preceded him to the heavenly home.

After three years at Lowell, he was appointed to Cedar Springs. The next year he was transferred to the Minnesota Conference and stationed at Anoka, where he labored effectively for three years, building a fine parsonage and adding souls to the church. Lake Street, Minneapolis, and Oxford Church, St. Paul, were his next pastorates, in both of which he was instrumental in removing large debts. At St. Paul in the winter of 1893, Mr. and Mrs. Davids lost four beautiful children with scarlet fever, all within ten days. The love and sympathy of the church and community were shown in a substantial gift of three hundred dollars raised for their benefit.

In the autumn of 1894, they returned to Michigan, and served churches at Stanton, Carson City, East Avenue Kalamazoo, Homer, Bowne Center, Muskegon Heights, Decatur and Whitehall. While serving Carson City, his life was blessed and enriched by travels in Egypt and the Holy Land. The church at Muskegon Heights was built during his pastorate. He believed and preached the great truths of the Bible and never resorted to sensational subjects to draw a crowd. The salvation of souls through the blood of Jesus was his theme.

During his pastorate at Whitehall, his health began to fail; and he took a supernumerary relation removing to Charlotte, and later taking the retired relation. He leaves to mourn his departure, the widow, four children, John Ward of Mulliken, Mrs. Joy Kieth of Battle Creek, Clara and Mabel of Charlotte, also two brothers. L. B. Kenyon and D. C. Riehl of Michigan Conference were brother-in-laws. The funeral services were held in the church in Charlotte conducted by the pastor, A. F. Way assisted by the District Superintendent and other pastors.

SHUBAEL PERRY HEWETT.

Shubael P. Hewett closed this earthly life in a peaceful sleep in the morning of February 28, 1918, at his home in Ann Arbor at the ripe old age of ninety years. He was born January 16, 1828, in Walworth, N. Y., and removed with his parents to Michigan when he was eleven years of age, settling in Belleville, Wayne County. At the age of twelve, he united with the Methodist Episcopal Church. From that early age he gave his life to the church and remained a faithful loyal member until the end.

He early entered the ministry, first as local preacher, and later joining

this conference. His first charge was Bowne Center in 1866. In 1869 he was sent to Ithaca where he built the first church, doing most of the work himself. In 1872 he went to Grand Ledge where he built the church. In 1875 he was appointed to Douglas, and in 1877 to Richland. In 1880 he came to Northern Michigan being appointed to Monroe Center on the Grand Traverse District, and doing much evangelistic work throughout the section. In 1882 he was appointed to Elk Rapids. He preached in all the surrounding country and built the South Milton Church. In 1884 he went to Fife Lake and built the South Boardman Church. Williamsburg, 1887, and Torch Lake, 1888, were his last appointments. In 1891 he superannuated and settled at Kewadin. While at Kewadin, he filled pulpits at Kewadin, South Milton, North Milton, Creswell, Torch Lake, Eastport and Bay View, building churches, organizing Sunday schools, training his own choirs, acting as class leader, and keeping churches in repair.

Such was the benediction of his beautiful life, today he lives in the hearts of many people, and his memory will ever be like the fragrance of sweet flowers. What an enduring monument he builded for himself in the love, respect, and honor of his people.

Brother Hewett was united in marriage to Mary E. Moon at Belleville, Mich., January 30, 1849. She passed away June 25, 1896. To this union was born one son, Salma M., with whom the deceased lived until the last. He is survived by the son, three grandchildren and one great grandson.

The remains were brought to Kewadin, and the funeral services conducted by the writer in church crowded with sorrowing friends from many places.

Samuel Brooks.

ENOCH FRANCIS NEWELL.

Enoch Francis Newell was born in Durham, Maine, December 2, 1842. Raised by a saintly Methodist mother, he was converted in a campmeeting at the age of seventeen. The next year, answering his country's call for men, after McClellan's disastrous campaign before Richmond, he enlisted in the 20th Maine Regiment, which was made a part of the fifth corps, Army of the Potomac. From the battle of Antietam until Lee's surrender at Appomatox, he took part in every engagement in which this regiment went into action.

In July, 1865, he was united in marriage to Etta M. Toothaker at Pownal, Maine, and to this union five children were born, two sons and three daughters. The two sons and one daughter with the widow survive him.

He entered the ministry of the Methodist Episcopal Church in 1878, and in the following year joined the Michigan Conference, which connection he sustained unbroken until death. After giving thirty years of unstinted service to the church, because of failing health he was obliged to retire

from active work. Eight years of his retirement he spent in the village of Millett, four months in Lansing, and eleven months in Duplain.

Last December he went to the St. John's hospital where, to prevent the spread of gangrene, he had his foot amputated. He then returned to the home of his daughter in Duplain, where owing to complications of pneumonia and Bright's disease, he passed quietly away, February 9, 1918. His last weeks were characterized by a beautiful patience which signified a victorious life.

E. F. NEWELL

Besides his widow and three children, he leaves two brothers in California, and two grandchildren, Johnson R. Newell, of East Lansing, and Lee Francis Kinney, of Duplain. The funeral was held February 11, in the Duplain church conducted by Wm. H. Phelps and E. A. Armstrong. The interment was in Mt. Hope cemetery, Lansing.

JOHN F. ORWICK.

John F. Orwick was born at Mt. Blanchard, Ohio, August 5, 1852. He was married February 6, 1875, to Miss Etta B. Nichols, who has proved a true helpmate and companion through all the years of their active work in the ministry.

Brother Orwick was converted to God January 1, 1875, and began his ministry as assistant pastor to Brother Wilson of Kendalville. He became a member of Michigan Conference in the fall of 1880, having joined on trial in 1877; and served the following charges: Waukeshma, Augusta, Woodland, Orange, Union City, Centerville, Sturgis and Haven Church, Jackson. The pastorate at Jackson was very successful, adding more members to the church than any other pastorate. After the five years in Haven Church, he was appointed chaplain of the State Prison, which position he held for nearly six years, when his health failed and it became necessary for him to be taken to a state institution for treatment. He never fully regained his health. For nine years he supplied a congregational church at Michigan Center, during which time he built a new church. Last fall he was appointed by Dr. Hugh Kennedy to the Camden and Austin Charge in Hillsdale county, Albion District, which he served with great acceptability.

John F. Orwick was a useful man, a genuine friend, and a humble Christian. He was a man's friend always, and many knew him as a comforter in time of need. He met every one on a common level, rich and poor alike. As far as he was known his services were sought for funerals and weddings.

His numerous friends rejoiced at the prospect of having him back in the regular ranks again, and hoped he might have yet years of active service, but it was not the Master's will. On Saturday, August 10, 1918, the spirit of this good sympathetic man returned to God.

The funeral services were held in Haven Church, where he had spent so many happy years, in charge of Rev. O. J. Blackford, the pastor of the church; and the remains were laid to rest in the Woodlawn cemetery to await the call of God in the resurrection morning.

Brother Orwick met death like a hero. He had wanted to get well and continue his ministry; but when the end came he was neither surprised nor disappointed, but calmly accepted the Divine will.

G. S. Robinson.

DAVID E. WADE.

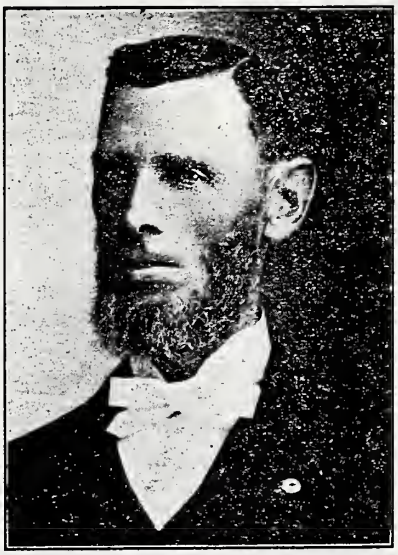
David E. Wade was born in Oxford townhsip, Ontario, October 17, 1853, and departed this life from Grand Rapids, Michigan, March 12, 1918.

He came to Michigan in September, 1877, and on July 3, 1878, was married to Anna Johnson. To this union were born four children—Kenneth Edwin, Bessie May, Kenneth Jay, and David Eber.

He is survived by his widow, two brothers, and all of the children except the eldest, Kenneth Edwin.

He began his preaching in the Methodist Episcopal Church in the winter of 1877 and 78. His first regular pastorate was in the Wesleyan Methodist Church at Midland and for fifteen years he served the following charges in the Wesleyan Church—Midland, Allendale, Coopersville, Hartwell, La-

Porte, Copemish and Blanchard. In 1899 he severed his relations with the Wesleyan Methodist Church and united with the Methodist Episcopal Church and, as a faithful supply pastor, served the following pastorates—



D. E. WADE.

Millbrook, Entrican, Sears, Wesley, Freesoil, Hope, Gladwin Circuit, Beaverton and Pierson.

Brother Wade was of a sensitive and sympathetic nature. His analytical mind and studious habits kept him alert to the movements and questions of his day and abreast with the times. Though beyond the three score milestone according to the calendar he was young in heart and the enthusiastic advisor of young life.

Brother Wade's ministry was characterized by conscientious and lavish devotion to his work, strong pulpit deliverances, deep spirituality, a clear and definite evangelistic note, and eminent success in revival work and leading converts into a clear religious experience.

He had a passionate longing to live and give himself with greater zeal to his chosen and loved work of the ministry. During his sickness he frequently gave expression to the conviction that, should he be spared he would, because of the lessons he learned in his illness, be a better man and a better preacher.

Brother Wade was well acquainted with his Lord. He was a man of God. His works will follow him.

C. S. Wheeler.

MRS. N. L. BRAY.

Elizabeth Jane Glade was born in Cornwall, England, Feb. 4, 1844 and died in Big Rapids, Michigan, August 28, 1918. Her youth was mostly spent in Penryn in her native country. While still a young girl she was confirmed in the Church of England. Later she united with the Wesleyan Church with her brother, William, who became a local preacher of unusual promise, but died in early life. His fervent Christian character profoundly impressed itself upon his sister and powerfully influenced her whole career. In her young womanhood she was recognized as of the finest type, active in social and religious life, a leader among her associates. She early entered the active ranks of Sunday School teachers, and became one of the most successful in the Wesleyan connection.

MRS. N. L. BRAY.

In 1871 she came to this country to become the bride of N. L. Bray, who had preceded her two years previously and who at the time was beginning his active ministry in the Methodist Episcopal Church in Michigan. He was at the time of their marriage installed as the pastor at Mt. Pleasant. The weddng took place June 4, 1871 in Grand Rapids. She took up the duties of a pastors wife with enthusiasm and proved herself peculiarly gifted for that difficult position. She had an unusual personal touch and influence over young people. She was an exceptionally efficient Sunday

School teacher, and was remarkably successful in leading people to Christ. With her husband she labored at Mt. Pleasant, Evart, Woodland, Orleans, Lowell, Quincy, Sturgis, Muskegon, Portland, Haven Church, Jackson, also while her husband was Superintendent of Coldwater and Big Rapids Districts.

She is survived by her husband and her only child, Nellie Francis, the wife of Rev. E. P. Bennett, pastor of the First Methodist Episcopal Church in Pontiac, and by three grandchildren.

For many years Mrs. Bray had been an invalid. She had suffered constantly from weakness and pain, yet she was very bright, cheerful and brave-hearted. Her mind was exceedingly active. She was full of interest in the various phases of human life around her. She was constantly planning to do good things for people and many persons were inspired by her to go on errands of kindness. She was greatly interested in all the affairs of the Church. The Church and its ministry were very dear to her. Her home was a benediction and an inspiration to many.

These verses express the feelings of a woman who feels that her life was transformed by Mrs. Bray's influence and long continued kindness.

A FRIEND.

I had a friend, a woman friend most dear,
  Who ran upon some grace in me,
And loved me for it; fostered tenderly
  The grace itself; then saw my faults grow clear
On close approach, but bravely drew more near,
  Believing these were transcient; earnestly
I set myself to mend myself, since she
  Did love me still, extending hope and cheer.
Once, all unconsciously, by one swift move,
  Unstudied as a child's, she let me see
The angel in her, standing there to prove
  How close God comes to us invisibly;
And looking in her eyes with reverent awe,
  I joyed to love the creature that I saw.

MARION LISLE.

She received the tenderest care. For the latter years of her life it was her husband's life occupation to care for her. Her daughter and son gave to her frequent ministeries.

Her funeral was a wonderful service. Tributes to her life were given by four men, who had been her pastors, Robert H. Bready, M. D. Currel, E. A. Armstrong, W. M. Puffer and by the District Superintendent, C. S. Wheeler.

Her body was laid to rest beside that of her granddaughter and namesake in the beautiful Fairview Cemetery at South Bend, Indiana.

W. M. PUFFER.

MRS. SARAH R. FORCE.

Sarah R. Force was born Sept. 16th, 1831, the youngest of a family of nine children of Jehiel and Charlotte Hall of Elizabethtown, N. J. In

1852 she was united in marriage to James P. Force, a member of the North Indiana Conference. In 1868 her husband joined the Michigan Conference, and for 15 years served various charges. Many of the older Methodists remember him with great love and respect. In 1889 he passed to his reward, and since then Sister Force lived very happily with her children, Mrs. Cora Gregory and Mrs. W. B. Harris of Dowagiac, Mich., and Mrs. H. S. Hover of Fenton, Mich. Another daughter, Mrs. Rockwell Clancy, died in 1891 after serving the church faithfully at Lucknow, India, for three years, and the same length of time at Agra and one year at Burma.

Rev. Rockwell Clancy, who loved her as a son, testifies to her Christian character in the following words:

"Sister Force's life was beautiful. In her young girlhood she entered into a blessed fellowship with Jesus Christ. During the years of her husband's ministry she led many precious souls to Christ. She gladly gave her daughter, Lottie, as a missionary to India, and at a time when her health was poor and she greatly needed her at home. She had the true missionary spirit through her whole Christian life."

Her highest ambition was to please her Master. Jesus was to her the sweetest name, and in the fulness of a ripened Christian experience she shed around her an influence that was a blessing to all who came into her presence.

During her last years she was too frail to attend church services, but through prayer and the Holy Word she kept her heart light and the blessed hope like an anchor held her steadfast. She was cared for tenderly by her daughters and at midnight on the 14th of October, 1917, she slipped away to be with her Lord. Funeral services were held from the home of her daughter, Mrs. C. E. Gregory, Dowagiac, Mich., conducted by Rev. H. D. Skinner, a former pastor, and she was laid to rest beside her husband in the Keeler cemetery.

MRS. M. A. OLDT.

Ida May, daughter of Mr. and Mrs. Daniel Crotser, and wife of Rev. M. A. Oldt, was born in Fulton, Michigan, February the 25th, 1877, and Thursday morning, May the 16th, 1918, after a brief illness, the curtain fell upon the last scene of her beautiful life, and her pure spirit without fear or misgiving, went away to a land where there is no night, where no shadows ever gather on the pathway of the redeemed, and where sickness, sorrow, pain and death are felt and feared no more.

In early childhood her parents removed to Ludington, Michigan, where she spent her girlhood days. In October, 1894, she was united in marriage to Rev. M. A. Oldt. To this union four daughters were born; Celestia, Elsie, Marguerite and Areldine.

Mrs. Oldt had a very pleasing personality, a sunny disposition, an easy grace of manner, and a kindly unselfish regard for the feelings of others that won the hearts of all with whom she associated.

Hers was indeed a beautiful character, and the words which spontaneously rise to the lips in contemplation of her life, are but the echo of those from the lips of the Master, which we are sure greeted her into the glory world. "Well done, good and faithful servant," and we use that word good in its broadest sense and meaning, for she was indeed good herself, and a source of good to all about her.

She was a good wife, true and devoted. Standing in her place she faced the responsibilities of life courageously, and discharged with fidelity the duties imposed upon her, and the husband ever felt that he had in her a helpmeet indeed.

She was a good mother, tender and affectionate. The old Jewish saying that God could not be everywhere so he made mothers, was never by this mother misrepresented. She received the children whom God gave her as a sacred trust, to be taught and trained for one end only His glory.

She was also a good Christian. Her religion ever exhibited itself as a steady active holy principle, and not a passionate excitement. To her the presence of the Saviour was so real, that she walked and talked with him daily. She loved the church, was active in all its services, and did her part faithfully and well in advancing the cause of her Lord and Master.

Her departure was what would be expected to follow so pure a life. Watched over and ministered to by husband and daughters, who put aside everything to give her the most loving service, she closed her eyes as if in sleep, which merged itself so quietly into the lasting one, that the twilight of her earthly existence softly blended into the morning of her life in glory.

We do not say she is dead, she has just begun to live, and could she shed one beam of her present glory on the tear dimmed eyes of those who knew and loved her, they would be dimmed no longer, but would be radiant with something of her own brightness.

The funeral services were conducted by the District Superintendent at the parsonage in Bronson, May the 18th, and the remains were taken to Caledonia for burial.

W. P. French.

MRS. R. W. TINDALL.

Mrs. R. W. Tindall, the wife of R. W. Tindall, a retired member of Michigan Conference, residing at Big Rapids, died at the home of her sister in Palmerston, Ontario, February 14, 1918. Drucy M. Pike was born at Whitby, Ontario, September 4, 1858. At the age of sixteen she was converted and joined the Methodist Church. In 1885, she was united in marriage with Rev. R. W. Tindall, and shared the joys and sorrows incident to itinerant life for twenty years. She was a loving self-sacrificing mother, a faithful wife and an earnest Christian. She leaves to mourn her loss, a sorrowing husband, and two sons, Arthur and William, the latter of whom was in the country's service at Camp Custer at the time of her death.

Are You Equipped to Win?

The New International provides the means to success. It is an all-knowing teacher, a universal question answerer. It insures you against embarrassing errors in spelling, pronunciation, and poor choice of words.

How many unfamiliar names, new words, and puzzling war terms in this morning's paper meant nothing but blank to you?

If you are asked the value of a *yen* or a *ruble*, the location or pronunciation of *Zborow* or the *Somme*, are you able to give an accurate answer? Mr. "Nearly Right" never succeeds.

Do the business phrases and technical terms in an automobile catalogue or trade journal convey their true meaning to you? If not, can you safely consult these mediums? Lawsuits have originated in nothing but a failure to understand such expressions.

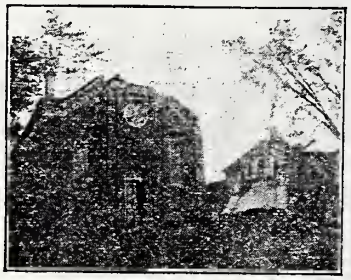
CHURCH and HOME INSURANCE

ORGANIZED by order of the General Conference of 1896. Has increased the protection to its policyholders during 1917 by almost THREE MILLION DOLLARS ($3,000,000.00). Total amount of insurance written since business began nearly ONE HUNDRED AND SEVENTY MILLION DOLLARS ($170,000,000.00). Of this amount more than FORTY-TWO AND ONE HALF MILLION DOLLARS ($42,500,000) is now in force.

Policies held in all parts of the United States including Alaska.



A WINDSTORM LOSS

Why continue to contribute to the funds of stock companies, when this, *your own organization,* in its twentieth year, protects Churches, Parsonages, Homes and Household Goods of Preachers, Hospitals, School Buildings, Dwellings and Personal Effects of members who build and sustain church properties. Premiums may be paid in easy annual installments or, if paid in advance, a special reduction is allowed for such prepayment. PROTECTION AT ACTUAL COST AND UPON EASY PRACTICAL TERMS. NO ASSESSMENTS.

Remember that all materials and labor entering into construction of buildings cost *far more now than formerly.* Are your Home and Church Properties insured up to three-quarters of their value? If not, a telegram requesting a definite amount of protection on property named will result in our binding the insurance pending the arrival of particulars and agreement as to rates, or bring an explanation, if for any reason we cannot comply. Over $1,200,000.00 paid for losses. NOT ONE DOLLAR EVER DUE AND UNPAID.

Twenty Years

Of Experience

in extending the usefulness of this organization wisely ordered by the General Conference of 1896.

Last year through the printer's mistake a surgical operation was performed upon our two-page advertisement, part of which appeared on the inside back cover of the Minutes and the rest of it several pages away. Perhaps the printer thought this a natural arrangement in view of the illustration of the cyclone loss.

Again it is a pleasure to report a gain of approximately THREE MILLION DOLLARS in our business during the last twelve months. Laymen throughout the country have availed themselves of the opportunity to insure AT COST in the company that carries their churches and parsonages, to the extent of approximately THREE AND ONE HALF MILLION DOLLARS.

Such properties are insured for the reason that, the loss ratio on such risks being less than on churches, they favorably affect our total average loss ratio, notwithstanding the fact that the terms we are able to use are much better than those of the stock companies with their necessarily more expensive system. We avoid the *conflagration hazard* so often fatal to stock companies and the *special hazards* such as saw mills and other manufacturing risks.

During the nearly twenty years since we began business we have issued policies aggregating approximately ONE HUNDRED AND SEVENTY MILLION DOLLARS. This enormous amount of protection has been extended from time to time to our members upon terms that were easily met, the expense being scattered evenly throughout the years covered by their policies, over FORTY-TWO AND ONE-HALF MILLION DOLLARS of which is now in force. Although nearly ONE AND ONE-QUARTER MILLION DOLLARS of losses have been sustained, in no instance has one dollar been *due and unpaid.*

In addition to providing our members with absolutely dependable insurance upon terms that are much to their interest, we are constantly helping to raise the standard of building; avoid unnecessary losses through the activities of our inspection department, and bring home to the custodians of our church properties the fact that it is not right for them to permit more than one-quarter of the value of any Methodist church or parsonage to be without insurance. Careful business men would not think of putting themselves in position to lose, in the event of a fire or windstorm, more than that proportion. No competent and conscientious trustee or other custodian of our properties would intentionally neglect his duty when it comes to looking after others' interests instead of just his own. Courts have held at times that trustees of secular property were personally liable for neglecting to carry adequate insurance. Those responsible for the churches and parsonages face, in addition, tremendous reasons for being "prepared".
